

WESTWOOD USA LIQUID TECHNOLOGIES

WARRANTY QUICK REFERENCE

WestWood® USA Liquid Technologies LLC (WestWood) warranties are available for projects installed by authorized applicators. Installations requesting these warranties must comply with published WestWood installation instructions and procedures.

All projects seeking premium warranty coverage must be registered with WestWood for review prior to project start-up. The following warranties are available for WestWood waterproofing systems and materials. These warranties represent WestWood's commitment that properly installed systems will deliver long-term waterproofing performance.

MATERIAL WARRANTY

Available for approved roofing and waterproofing applications installed in an edge-to-edge (full system encapsulation) configuration. These assemblies fully encapsulate the substrate and protect against moisture migration beyond the installed membrane.

This warranty provides coverage for leaks resulting from product manufacturing defects.

SURFACING WARRANTY

Available for approved roofing and waterproofing applications installed in an edge-to-edge (full system encapsulation) configuration. These assemblies fully encapsulate the substrate.

NO DOLLAR LIMIT (NDL) LIMITED SYSTEM WARRANTY

Available for approved roofing and waterproofing applications installed in an edge-to-edge (full system encapsulation) configuration. This warranty provides coverage for leaks resulting from:

- product manufacturing defects, and
- defects in approved workmanship

WARRANTY ENHANCEMENTS

For applications requiring additional warranty protection, WestWood USA offers the following fee structure for optional warranty riders that extend coverage beyond the Standard and Premium warranties. All riders are subject to WestWood USA technical review and approval prior to bid.

ROOFING SOLUTIONS

WATERPROOFING

FLASHING SOLUTIONS

TRAFFICABLE SURFACES

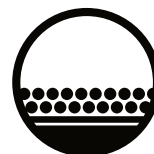

HAIL

Provides coverage for leaks directly attributable to verified hail events meeting the specified size criteria. Cosmetic damage is excluded.

WIND

Provides coverage for leaks resulting from wind events meeting the specified design threshold.

OVERBURDEN REMOVAL

Provides coverage for the reasonable cost to remove and replace overburden as necessary to locate and repair a covered leak.

WestWood offers warranties with multiple terms, options, and coverage enhancements designed to meet specific project requirements. Upon review of project specifications, design requirements, and proposed waterproofing systems, applicable warranty options may be made available.

Warranty issuance is subject to WestWood technical review and project approval.

WARRANTY FEE STRUCTURE

Warranty fees for qualifying and approved roofing and waterproofing assemblies installed in a full system encapsulation configuration are as follows:

PROJECT SIZE	Material / Surfacing Warranty				NDL Limited System Warranty		
	5-YEAR	10-YEAR	15-YEAR	20-YEAR	10-YEAR	20-YEAR	25 or 30-YEAR
Less than 1,000 sf	\$300	\$400	\$500	\$750	\$800	\$1,000	\$1,000 + \$0.12/sf
1,001 - 2,000 sf	\$400	\$500	\$600	\$1,000	\$1000	\$1,250	\$1,250 + \$0.12/sf
2,001 - 5,000 sf	\$500	\$600	\$750	\$1,250	\$1200	\$1,500	\$1,500 + \$0.12/sf
5,001 - 25,000 sf	\$750	\$1,000	\$1,250	\$1,500	\$1600	\$2,000	\$2,000 + \$0.12/sf
25,001 - 50,000 sf	\$1,000	\$1,250	\$1,500	\$1,750	\$2000	\$2,500	\$2,500 + \$0.12/sf
50,001 - 100,000 sf	\$1,250	\$1,500	\$1,750	\$2,000	\$2400	\$3,000	\$3,000 + \$0.12/sf
Greater than 100,000 sf	CONTACT WESTWOOD USA						
Flashing-only Warranty	\$750 + \$0.05/sf				\$750 + \$0.10/lf	\$1,000 + \$0.10/lf	Not Available

WARRANTY ENHANCEMENT / RIDER OPTIONS

PROJECT SIZE	Hail ¹			Wind ²	Overburden Removal ³
	1-inch	1.5-inch	2-inch		
Less than 1,000 sf	\$1,000	\$1,500	\$2,000 + \$0.05/sf	\$1,500	\$2,500
1,001 - 2,000 sf					\$3,000
2,001 - 5,000 sf					\$7,500
5,001 - 25,000 sf					\$10,000
25,001 - 50,000 sf					\$0.40/sf
50,001 - 100,000 sf					\$0.50/sf
Greater than 100,000 sf	CONTACT WESTWOOD USA				

¹ Coverage applies only to leaks directly attributable to verified hail impact meeting the specified size criteria. Cosmetic damage is excluded. Rider issuance is subject to WestWood USA review and approval.

² Coverage applies only to leaks resulting from wind events meeting the specified design threshold. Damage resulting from improper installation, substrate failure, or unrelated system deficiencies is excluded. Rider issuance is subject to WestWood USA review and approval.

³ Coverage is limited to the reasonable cost to remove and replace overburden materials as necessary to locate and repair a covered leak. Minimum fees are subject to WestWood USA review and approval. Scope, limits, and eligibility are subject to the terms and conditions of the issued WestWood USA warranty.

RIDER CONDITIONS

Hail and Wind riders are available only for qualifying assemblies and remain subject to project-specific review. Wind rider requests must include applicable design wind pressures and full system assembly information prior to bidding. Overburden Removal rider eligibility requires WestWood USA review of overburden type and assembly conditions prior to approval.
